

The 'Not-So-Difficult' Mt Difficulty Wine Club

Membership of the 'Not-So-Difficult' Mt Difficulty Wine Club is a great way to ensure that you get to try every wine released under the Mt Difficulty label. Every three months you will receive an automatic delivery of your choice of a full or half case of seasonal favourites.

By choosing to take the full case option you will receive wine valued at \$1834 for four payments of \$350, at a discount of almost 25%. If you opt to take six bottles per quarter, then you'll make four payments of \$175 for wine valued at \$917.

In addition, membership of the 'Not-So-Difficult' Mt Difficulty Wine Club will entitle you to a 15% discount on any other wine purchase and 10% off merchandise through the Mt Difficulty Cellar Door. New Zealand customers will never be charged for freight. Customers wishing to join from overseas may request a quote for international shipping.

Details of the coming year's releases are made available to members in July, and the first delivery of the Wine Club year is in September. Members may withdraw from the Club without penalty between these dates.
